

*Hisz még csak most a Nap fölkelőben,
Homály-madarak, tág csőrű gémek,
Éhesek s vének,*

*Ködben, homályban alszik, alszik
A csók-palota.*

*Kicsi virág, szegény virág,
Mért irigyelnek a bolondok?*

*Ott hallgattuk valamikor
Lármáját nagy, kék vizeknek,
Nem hallunk mi, nem hallunk mi
Soha szebbet, soha szebbet.*

A serene pond scene with lily pads and reeds, framed by purple flowers in the foreground. The water is calm, reflecting the surrounding greenery and the sky. The purple flowers in the foreground are out of focus, creating a soft, bokeh effect. The overall atmosphere is peaceful and natural.

*A tó nevetett
S bármerre megyünk
Azóta mindig:
Minden alkonyon
Halljuk nevetni.*

*Forró haragját egyre ontja rám
Piros, dagadt arccal a nap.*

*Ez a puszta: a rég-halottaké
S készek a hűs ravatalok,
Jaj annak, jaj, aki megtudja,
Hogy halott. Hogy már rég halott.*

A nighttime photograph of a city street. In the background, a large, multi-story building with many windows is illuminated from within. A full moon is visible in the dark sky above the building. In the foreground, a street with a cobblestone or paved surface is lit by several street lamps. A group of people is walking across the street. On the right side, there is a modern building with a curved facade and a sign that says "California". A tree without leaves is in the foreground on the right. The overall atmosphere is warm and urban.

*Én a bolondos zajnak,
Én a cifra városnak
Vagyok a kóbor lelke*

The image features a warm, golden sunset sky as the background. In the foreground, several tall, slender stalks of grass with feathery seed heads are silhouetted against the bright light. The sun is positioned in the upper right quadrant, creating a strong glow and lens flare effects. The overall mood is peaceful and contemplative.

*Kit napvirág és napsugár
Új igére, új dalra termett,
Áldott legyen, ki eljövend*
